Mr. Tom Wolf
The Governor of Pennsylvania

Dear Mr. Tom Wolf,

The International Dockworkers Council (IDC) is an association formed by organizations of dockworkers from all over the world. It is defined by its basic principles as being a unitary, independent, democratic, assembly-based working-class organization. We currently have over 90,000 members all over the world. This figure is increasing as new trade union organizations are joining the IDC.

The IDC is very much concerned about the present state of health of Mr. Mumia Abu-Jamal, who has been unjustly detained for a prolonged period of time. We demand urgent medical treatment for Mr. Mumia Abu-Jamal, specifically regarding his diabetes and Hepatitis C.

The IDC demands the Pennsylvania Department of Correction allow Mumia Abu-Jamal urgent medical treatment by a doctor of his choosing. Further the IDC requests the immediate and unconditional release Mumia Abu-Jamal from this detention.

We will be following this case closely and urge the Pennsylvania Department of Correction to deliver the attention necessary to Mumia Abu-Jamal in a timely fashion, as is his basic human right.

Attentively,

Jordi Aragunde
IDC General Coordinator
